## features

### **Celebration of the Certificates in Science for Adults** 3

*by Maria Santburn*

The Certificates in Science for Adults brought a sense of discovery and wonder to both science teachers and adult learners new to science.

### **Does the CGEA *have* to be a training package?: understanding the language of the new CGEA** 7

*by Dianne Parslow*

It is good sense to use units of competency in the CGEA, and non-sense to confuse the style of presentation with curriculum content.

### **CGEA reaccreditation 2006: meeting learner needs for the next five years** 10

*by Liz Davidson and Lynne Fitzpatrick*

An overview of the stages from research and consultation to development of the new CGEA.

### **New arrivals from Africa: a learner profile** 14

*by Dhammika Fernando*

A thought-provoking look at newly-arrived African learners, which also serves to warn us about applying value judgements based on our own cultural assumptions and expectations.

## regulars

### **Practical Matters** 17

How Linda Rhodes and her students 'locomoted' their way from the classroom to La Mama.

### **Open Forum** 20

Union delegate Manrico Moro calls for support in the struggle against the new industrial relations laws.

### **Policy Update** 22

Joanne Hargreaves talks about some recent reports from Australia's leading provider of vocational education and training research and statistics.

### **Beside the Whiteboard** 23

One positive outcome of the *Tampa* incident was Susie Gerard's decision to retrain as an adult migrant education teacher.

### **Foreign Correspondence** 27

In Sri Lanka, Jose Mott sees how community mobilisers represent the hands-on approach of the International Women's Development Agency.
