

Keep In Touch!

You can stay connected through CMV:

SHOUT! - The CMV Bulletin: Now that you have attended a CMV workshop you will automatically receive our bi-monthly email bulletin with masses of info about CMV workshops plus an amazing array of other workshops conferences and events of interest to community music making activists all over the state. Let us know by return email if you do not wish to receive the bulletin.

Song Swaps: CMV hosts regular song swaps at Ross House. Come along and get new repertoire, or feel free to host one yourself, either at Ross House or in your own patch on the theme of your choosing! We will publicise it through our newsletters

Workshops: Share skills and stories with community music making activists. CMV workshops take place across the state. See our events page for info.

Singing Leaders' Magazine: - CMV's quarterly magazine for singing leaders - SING IT! - inspires and motivates with stories from singing leaders from Around Victoria as well as information about useful resources, new songs and ideas for activities. Subscribe now! \$11 gives you issues in Sept and Dec 2011.

Support and Advice: Our wonderful team of volunteer support staff will help you deal with queries about running music-making groups. Just email The Catalysts Team at cmv@netspace.net.au

Keep us up to date with the details of your community music-making groups so that we can pass the word on to the many people who contact us each year looking for groups to sing and play with.

Help keep CMV on the road:

Membership: Please consider becoming a member of CMV. Your contribution will help us to continue to offer our information services, to subsidise our leadership skills workshops and to support Victoria's community music-makers. Membership entitles you to SHOUT! bi-monthly Plus SHOUT-extra! in the in-between months and costs \$25 per year for an individual (\$20 concession).

Can you give us some of your time?: CMV is primarily a volunteer run organization with just 3.5 days per week of paid staff time. We always need volunteers to undertake a huge variety of roles from simple admin to writing for our newsletters to keeping up to date with current research and writing funding submissions. Whatever your skills and wherever you live, we can find a job for you for a few hours per week working either in our Melbourne CBD office or from home. Just contact Volunteer Co-ordinator Jane Coker at cmv@netspace.net.au As a volunteer you will receive free CMV membership and get to join in our regular volunteers' music-making and singing sessions.
