VCAL YAMEC
Introduction to Trade Skills

Are you:

- *between 15 and 26 years old?*
- *interested in learning about trades in the building industry?*

Do you:

- *want to get into an apprenticeship?*
- *need an ESL friendly class?*

You will learn:

- about different trades
- safe work practices
- understanding OH&S in the workplace
- how to get an apprenticeship
- about career opportunities
- 'hands on' workshop skills
- English and Maths for trades

During this course you will have the opportunity to get your General Construction Induction Card.

This is a full-time Centrelink approved course.

The VCAL YAMEC Introduction to Trade Skills is a six month course that prepares students for further training or employment in the Building and Construction Industry.

This course is part of the Young Adult Migrant Education Course (YAMEC).

Where: NMIT Heidelberg Campus
Building F
Bell Street, Heidelberg

When: Starts 12 July 2010

Interviews for the course are being held now.

For an interview or more information please contact:

Fran MacMahon Sers or Nic McLean
