Education

Community West is offering a great training opportunity to improve Legal Literacy of adult educators in the western region.

This two day professional development course covers basic legal information, including interviews and Q & A sessions with people working in the legal sector. Participants will also discuss and use practical classroom activities and resources that can be developed for participants' own classrooms.

Learning outcomes:

- 1 Increased legal knowledge
- 2 Confidence to teach students basic legal information
- 3 Know where to refer students for legal help
- 4 Better understanding of the legal sector

High quality, professional development programs suited to teachers of adult learners
